WEDDING
GUIDE

The Eph. Experience

We believe that every man should have an outfit for his wedding that looks great, fits better, and reflects his own personal style.

Every Eph Apparel suit is unique because our stylists work with you one-on-one to build a custom look with personal touches that you won't find anywhere else.

Our made-to-measure experience will fit any man, any size, on any budget. We offer the most fun, innovative, and unique suiting experience in Canada that begins with a wedding consult with an experienced Stylist, and doesn't end until you're walking down the aisle feeling your best.

Quality Custom Suits

PRICED WITHIN YOUR REACH

We've suited up thousands of wedding parties in affordable, perfectly fitted suits. Here's why grooms everywhere are choosing to go custom with Eph:

Affordable - Why waste \$250 on a rental when a custom suit from Eph can be worn again and again for as low as \$399.

Versatile - Design a suit that fits your theme & style - from traditional tuxedos to trendy blues and burgundies or even lightweight linen pants for your destination wedding.

Custom Fit - We make sure your suit fits the way you want - 18 measurements, complementary alterations, and no extra or hidden costs.

Personal - Custom means you choose everything from the lapel to the cuff. Your custom suit lets you show some personality with funky liners, or monogramming.

Convenient - Book a private fitting for your wedding party at one of our showrooms or pop-ups - or have one of our Style Reps conduct an in-home fitting.

A Suit For Every Season

When you go custom you call the shots. We offer any colour for any look you want - classic tuxedos, three piece suits, less formal pant and dress shirt ensembles and more. Get the exact look you want at a price you can afford - that's our mission.
