

WEDDING DAY SURVIVAL GUIDE

Be Prepared. On your wedding day you want all of the pieces to fall into place, but if you're not careful things can slip through the cracks. Expect the unexpected and make sure you have all of these wedding day essentials at your fingertips to ensure your day is as perfect as the one you're marrying.

STAIN REMOVAL PEN

No one wants to ruin a crisp white shirt with a spot of who knows what.

TRAVEL SEWING KIT

Just in-case you catch a snag!

DEODORANT

You'll be hugging people all day & no one likes a smelly groom.

HAIR PRODUCT

Tame your mane – you never know when a hair might fall out of place.

SHOE POLISH

You never know where you'll venture for that perfect photo.

SUIT BAG

Keep your new duds safe until the moment you put them on.

BREATH MINTS

You're going to be doing a lot of kissing on your wedding day. Keep it fresh.

FLASK

It's a celebration, and the party has to start somewhere!

LIP BALM

Your first kiss shouldn't be with crusty lips.

TISSUE

Let's face it, you're going to cry!
